

In a galaxy not so far away, in a time not that long ago - legendary music mogul Simon Cowell said of Britain's Got Talent

“ If we could find Stormtroopers who could dance ... then this show is going into a different league ”

Then once Boogie Storm had finished their now legendary audition and he had used his golden buzzer without hesitation:

“ My dream has come true, thank you ”

It's an accolade that few can match, and even fewer can beat - but for Boogie Storm, it was the beginning of what has since been a rollercoaster of a journey. You could say that the force is strong with Boogie Storm, and you'd be right.
